

BOS•REVIVE™ Haircare

Bosley Professional Strength **BOS•REVIVE** Haircare has been formulated for those with visibly thinning hair and excessive hair loss.

The BOS•REVIVE client may relate to the following:

- I notice that my hair has become visibly thin.
- I am experiencing rapid hair loss and can see more scalp than hair.
- I have areas of my scalp where hair is no longer growing.

The **BOS•REVIVE** Haircare Regimen includes Nourishing Shampoo, Volumizing Conditioner and Thickening Treatment.

The **BOS•REVIVE** Haircare is available in formulas for both non color-treated and color-treated hair, which contains ColorKeeper Complex to help extend color.

BOS•REVIVE Nourishing Shampoo for Non Color-Treated Hair
Rejuvenating (sulfate-free) cleanser that helps to remove debris like D.H.T. from the hair and scalp of those with visibly thinning hair.

Apply daily to wet hair, massage into scalp, leave one minute and rinse.

BOS•REVIVE Volumizing Conditioner for Non Color-Treated Hair
Weightless volumizing conditioner that reconditions hair and volumizes while smoothing and adding shine.

Apply to clean wet hair, distribute evenly, leave up to five minutes and rinse.

BOS•REVIVE Leave-in Thickening Treatment for Non Color-Treated Hair
Leave-in rejuvenating and thickening treatment that reconditions and rejuvenates fragile hair and scalp.

Apply to shampooed, towel dried hair. Part the hair into three parts and lightly pump a line into each part from front of the head to the back. Massage into scalp and comb hair from the root to ends. Follow with styling products of choice and style as usual*.

*May cause temporary redness.

BOS•REVIVE Nourishing Shampoo for Color-Treated Hair
Rejuvenating (sulfate-free) cleanser that helps to remove debris like D.H.T. from the scalp of those with visibly thinning hair. Contains ColorKeeper Complex to help extend color.

Apply daily to wet hair, massage into scalp, leave one minute and rinse.
