

STYLING

VOLUMIZING AND THICKENING

Weightless formulas to style and finish hair

NOURISHING LEAVE-IN

Creates Noticeable Volume

- Volumizers build body and volume.
- Hydrolyzed vegetable protein helps detangle, creating smoother, shinier hair.
- Pentapeptides and Apple Stem Cell Extracts may support healthy hair function.
- ColorKeeper helps to protect and extend color.
- Humidity and heat resistant.
- Alcohol-free and thermal-styling protective.

May be used to blow dry or when drying naturally. Spray onto towel dried hair, comb through, style as usual.*

* Add Bosley Professional Strength Styling Mousse or Gel for more volume and hold.

STYLING MOUSSE

Infuses Instant Body

- Strengthens and thickens the hair shaft.
- No flaking or dusting.
- ColorKeeper helps to protect and extend color.
- Humidity and heat resistant.
- Alcohol-free and thermal-styling protective.

May be used to blow dry or dry naturally. Foam a small amount into the palm of hand (add more if needed*) apply to towel dried hair and style as usual.

* If using the leave-in thickening treatment apply sparingly.

STYLING GEL

Visibly Thickens

- Naturally-derived volumizers help create body and strength.
- Pentapeptides and Apple Stem Cell Extracts may support healthy hair function.
- ColorKeeper helps protect and extend color.
- Humidity and heat resistant.
- Alcohol-free and thermal styling protective.

May be used to blow dry or when drying naturally. Squeeze a small amount into the palm of hand (add more as needed), apply to towel dried hair and style as usual.

* If using the leave-in thickening treatment apply sparingly.

STYLING HAIRSPRAY

Builds Volume and Holds Style in Place

- Style and finish with this longer lasting bodybuilder.
- Imparts incredible shine without build-up, stickiness or flaking.
- ColorKeeper helps to protect and extend color.
- Humidity and heat resistant.
- Thermal-styling protective.

Style as usual, mist spray 6-12 inches over the hair*.

* For added volume after blow drying bend head upside down, mist spray over the hair, straighten back up and use fingers or comb to style, finish with another mist of spray.
